GENERAL INFORMATION, TERMS AND CONDITIONS

Nature Travel Specialists wants you to enjoy your trip and your anticipation of it. Please read the following carefully to ensure you are aware of all aspects of your travel arrangements with us, and contact us if you have any questions.

SERVICES INCLUDED

Services included in travel arrangements made by Nature Travel Specialists, LLC and its affiliates (We/Us) are limited to those described in the supplied itinerary. No other services are included or implied. Please check your itinerary and/or tickets carefully for errors or omissions upon receipt, and contact us if necessary.

NOT INCLUDED

Travel insurance

Fees for passports and/or visas

US and foreign airport departure, security, reciprocity and other taxes, domestic air taxes, or GST taxes (unless otherwise noted). Where such fees and taxes accompany air or other services they will be charged on a separate line of your invoice, and are subject to change.

Tips to drivers and guides

Items of a personal nature such as laundry, equipment rental, phone calls, beverages, camera fees etc.

DEPOSITS AND PAYMENTS

A deposit of \$500 per person, plus \$200 if the extension is selected, is required when Nature Travel Specialists has been requested to make travel arrangements ("time of booking"). Final payment for all land and air arrangements will be due 61 days prior to travel. All final land arrangement payments are to be made by check unless other arrangements are made with Nature Travel Specialists. Airlines do not guarantee ticket prices until tickets are paid for; therefore quoted prices for airline tickets are subject to variation until ticketed. If ticketing occurs prior to usual final payment date the full price of the ticket including taxes is due at that time. All costs are accurate at time of travel arrangement; however as many arrangements are made well in advance of travel any fluctuations in exchange rates or costs received by Us may result in changed pricing; such reasonable changes are expressly agreed to by you. Some programs sold by Us may have minimum numbers, and may be subject to cancellation or re-pricing if numbers fall below the minimum. Please note that in some circumstances such re-pricing is part of the tour agreement and does not justify withdrawal from the tour.

CANCELLATIONS

All cancellations must be made in writing and are effective upon receipt in our office. The following fees apply and are per person:

\$250 from time of booking until 90 days prior to departure, plus any additional cancellation fees imposed by suppliers.

40% of total costs, plus any additional cancellation fees imposed by suppliers, from 89 to 45 days prior to departure.

100% of total costs from 29 to 0 days prior to departure.

Airline tickets are generally non-refundable from time of ticketing.

Due to the significant cancellation penalties associated with the cruise and air tickets we strongly recommend travel insurance at time of booking, which we will advise on. No exceptions can be made to the cancellation penalties.

Nature Travel Specialists will make good faith efforts to secure refunds from its travel suppliers, and these will be refunded to you subject to the above penalties and at Nature Travel Specialists' discretion. Please note that no claim is made that such refunds will be available or made.

Many tour suppliers reserve the right to cancel any tour. Should a tour be cancelled, Nature Travel Specialists will inform you of any such cancellation when we are so informed, subject to reasonable working delay. Under such circumstances the supplier will usually refund the full trip cost; however any additional costs such as non-refundable air tickets or penalties, insurance and additional incurred costs are not refundable by either our suppliers or Nature Travel Specialists.

Transfers of tours or other travel arrangements to different dates are subject to a 5% transfer fee, plus any fees or penalties imposed by tour suppliers, hotels, airlines etc.

AIRLINE TICKETING

Nature Travel Specialists and its affiliates act as agents only for airline carriers; all tickets are subject to the rules, restrictions and penalties of the individual carrier. Please note that international and overseas airlines may have different rules, restrictions and responsibilities to those based in the US. Changes made after tickets are issued are subject to penalties. If a non-refundable ticket is purchased or a ticket subject to airline penalties is purchased and there are subsequent changes, all fees are the responsibility of the traveler. Air arrangements made by Us have been designed to allow for legal and comfortable connection times; however we are not responsible for missed connections and any subsequent travel arrangements and/or costs necessary to continue with your travel arrangements. Where US domestic tickets are issued in conjunction with international tickets any missed connections due to airline delays or weather are usually dealt with by the delivering airline; in most cases they will assist you in making a connection that will help you get to your destination. If not please contact us for further assistance.

TRAVEL DOCUMENTS

A US passport valid for 6 months beyond your planned return date is essential. A visa may be necessary for travel to your destination; we will advise you of any such requirements and assist with procuring your visa; this may incur additional costs. A number of independent companies offer visa services; you can also apply to the country's Embassy or Consulate for a visa, usually at a lesser or no charge. We are not responsible for entry refusal or subsequent costs due to the lack of a visa; it is the responsibility of the traveler to confirm that they can get and have a valid Visa. If we advise that a visa is not necessary, this information pertains to travelers holding US passports. For those with non-US passports, please contact the appropriate Embassy or Consulate. If you are traveling with minors you should contact your international carrier for specific requirements; usually a notarized letter from the parent(s) and suitable photo ID is required. For safety and ease of travel we strongly recommend minors have their own passport.

HEALTH REQUIREMENTS

Health precautions vary with destinations, and you will receive relevant information in your confirmation packet, but it is your responsibility to be aware of any required or suggestions precautions. Travelers who have been in yellow fever areas, or where other certain diseases are prevalent may face certain restrictions. Please make us aware if you have been in such areas within the last 6 months, but it is the responsibility of the traveler to be aware of any restrictions that may apply, and take measures accordingly. Singapore is especially strict in this respect, with an extended quarantine period. No refunds will be given for refusal of entry due to these circumstances. The CDC website - www.cdc.gov/travel - has current information regarding overseas travel. As we cannot know your personal medical condition, you here certify that you are aware of the activities included in this tour/travel and are capable of participating in them.

INSURANCE

We highly recommend travel insurance, as your personal and credit card insurance may contain limitations.
